Brand Narrative

MARFIL
TILES 

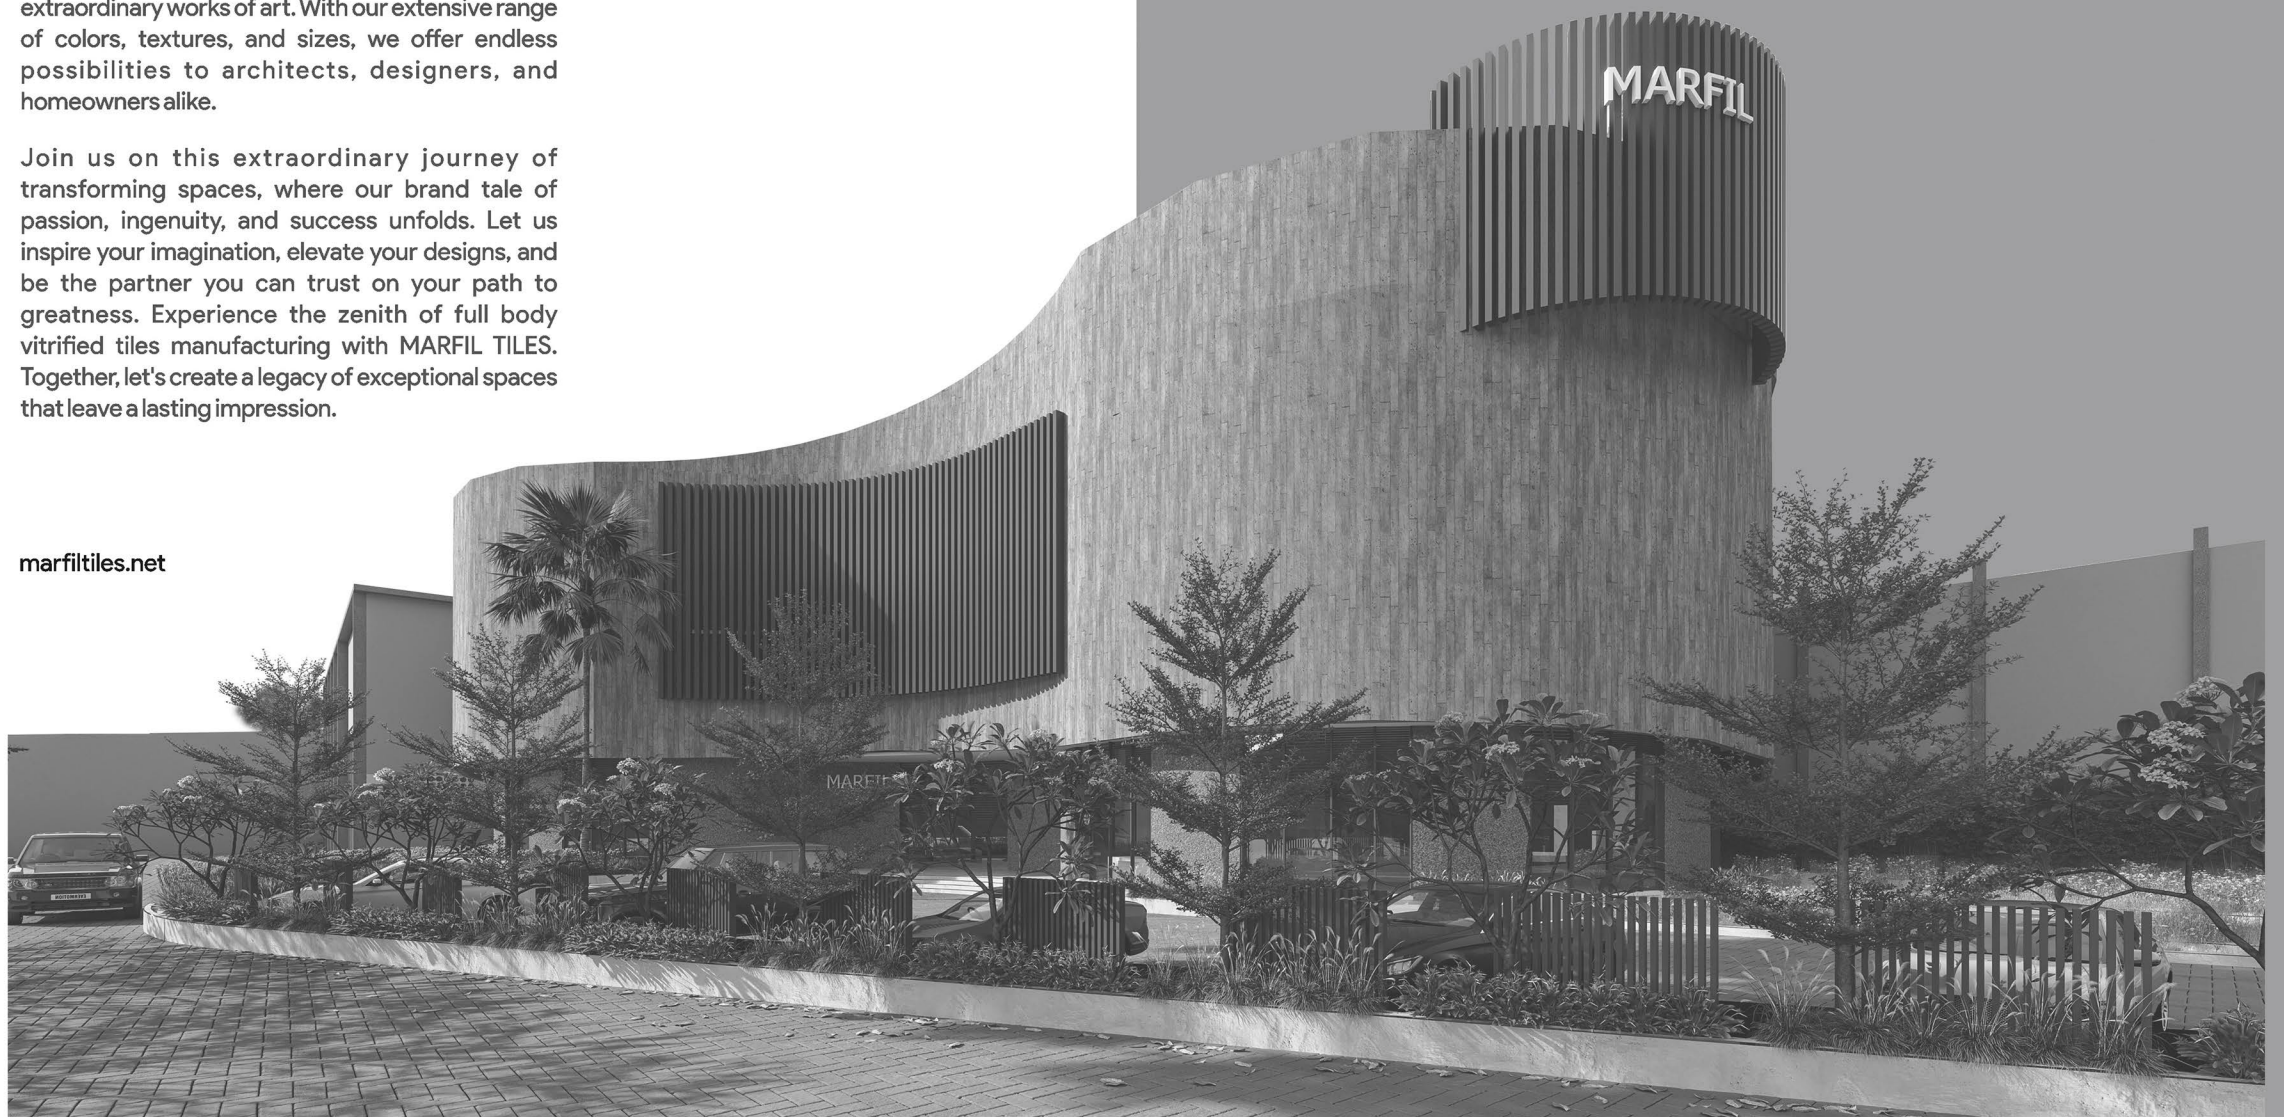

At MARFIL TILES, we are the masters of full body vitrified tiles manufacturing, setting new standards of success and innovation. With our state-of-the-art facilities and a team of skilled artisans, we craft tiles that embody perfection in every detail. With our cutting-edge technology and innovative processes, we bring forth a range of tiles that exceed expectations and redefine industry standards. From striking designs to impeccable finishes, our full body vitrified tiles redefine the aesthetics of spaces, transforming them into extraordinary works of art. With our extensive range of colors, textures, and sizes, we offer endless possibilities to architects, designers, and homeowners alike.

Join us on this extraordinary journey of transforming spaces, where our brand tale of passion, ingenuity, and success unfolds. Let us inspire your imagination, elevate your designs, and be the partner you can trust on your path to greatness. Experience the zenith of full body vitrified tiles manufacturing with MARFIL TILES. Together, let's create a legacy of exceptional spaces that leave a lasting impression.

marfiltiles.net

Live with Nature, Live with Materials, Live with Marfil.

Paths and driveways all finished with a single surface. The natural colours and regular geometric shapes gives superior look to your every spaces.

Features

Full body tiles are designed to offer top-tier performance with low water absorption, making them ideal for wet areas and high-traffic zones.

WATER ABSORPTION

Perfect for bathrooms and kitchens, where moisture resistance matters most.

HIGH STRENGTH

These tiles are meticulously crafted to meet high-stringent quality standards, guaranteeing their durability and long-lasting performance.

MAINTENANCE FREE

Full body tiles are virtually maintenance-free, simplifying upkeep and preserving their original beauty with minimal effort.

CHEMICAL RESISTANCE

These tiles exhibit remarkable chemical resistance, ensuring they can withstand exposure to various household and commercial chemicals.

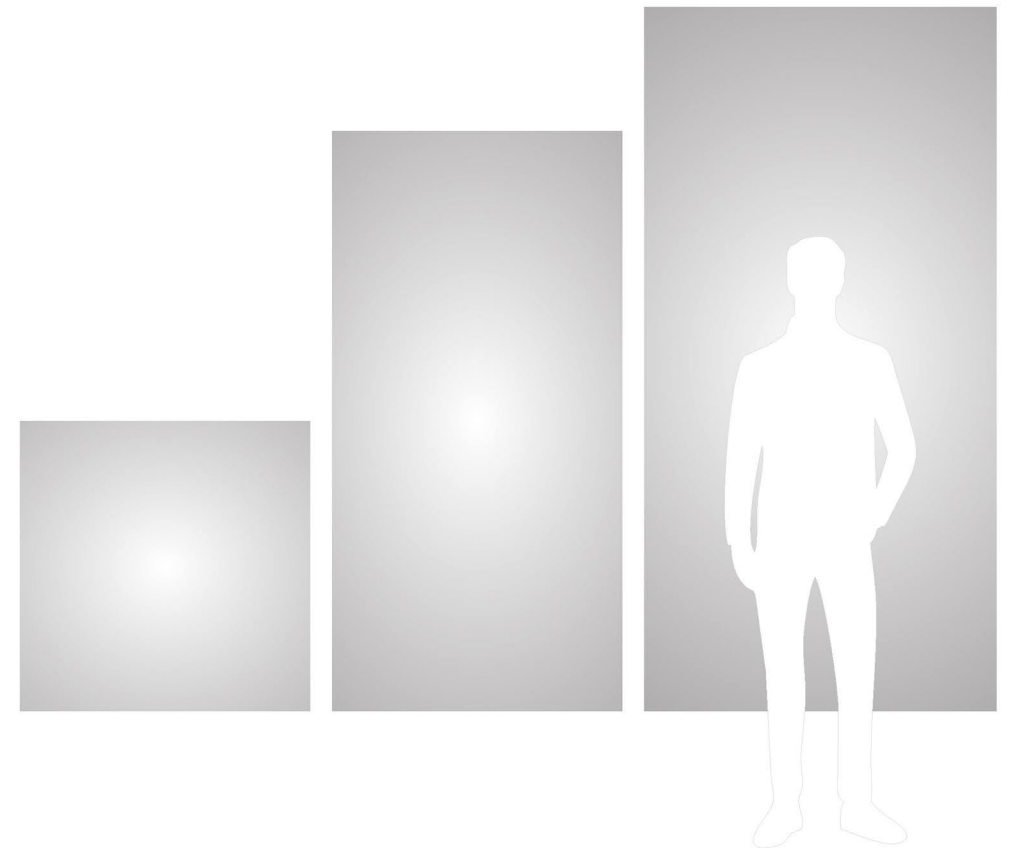

ABRASION RESISTANCE

Making full body surfaces suitable for high-traffic areas where their aesthetic appeal and durability remain uncompromised.

600X600MM | 600X1200MM | 800X1600MM

Full body tiles are available in a range of sizes, offering design versatility to cater to different spaces. From standard dimensions to larger formats, they adapt seamlessly to diverse interior layouts. Whether it's a compact bathroom or a spacious living room, these tiles offer options that align with your unique design requirements.

Application

Versatile full body tiles are your canvas for creativity, suitable for any space, be it residential or commercial. Their adaptability knows no bounds, enhancing kitchens, bathrooms, living rooms, and more. Explore the endless possibilities with full body tiles, where your design vision comes to life.

STEP Collection

A stair riser is the near-vertical element in a set of stairs, forming the space between one step and the next. It is sometimes slightly inclined from the vertical so that its top is closer than its base to the person climbing the stairs.
